

# MIGUEL LÓPEZ MARTÍN

*IT Consultant – Software Developer*  
miguellm91@gmail.com  
+34 637131081

## PERSONAL SUMMARY

Degree & Masters Degree in Physics by the University of Granada. With a great ability to focus in different tasks, my main skills are both analytic and mathematical thinking, and fast and effective problem solving.

Passionated about the news and amazing possibilities that the Data Science and Machine Learning fields are opening in the IT sector. Strong background in Salesforce.com & Apex, HTML5/CSS3/JS and the Django Web Framework, as well as expertise in software development in Agile environments.
